MILWARD'S NO

Frankfort, Ky., Jan. 11. Stanley Milward, of Lexington, after a lengthy conference with Governor Willson yesterday, said that he had decided not to accept the ap pointment as state fire marshal, ten dered him by State Auditor James.

Mr. Milward sald that after he holds a conference with Mr. James he may make a statement, giving his reasons for declining the position.

The members of the state capitol commission, including the governor and other state officers, with the contractors, visited the new capitol this morning to inspect two interior columns which are said to be defective. The columns are of Vermont granite. The commission will hold a meeting tomorrow to decide whether to ac cept or reject the columns.

It is rumored here that Stanley Milward, who refused the appointment of state fire marshal, has been agreed on for a position on the state board of control, to get the next vacancy. The friends of John Wood, of Mt. Sterling, have started a boom for him for fire marshal.
